Business Announcements. TRENCH MEDICINES. GRIMAULT AND Co., Chemists to H. I. H. Prince Napoleon,

These different medicines represent the most recent medical discoveries, founded on the principles of Chemistry and therapeutics. They must not be confounded with secret or quack medicines, as their names sufficiently indicate their composition; a circumstance which has caused very few considerats. The most stringent laws exist, in France, with regard to the sale of medical preparations,

The newest and most estermed medicine in cases of: Chloroeis, pains in the stomach. difficult digretion, dismenorrhea; animea, general debility, and poorneas of It is particularly recommended to regulate the functions of nature, and to all ladies of delicate constitution, as well as to persons suffering under every kind of de-

This medicine has been administered with the utmost blood, it being the most powerful depurative known. It has also been applied with happy results in diseases of the skin. Further, it will be found to be of great benefit to young children subject to humours and obstruction of the glands. Consumption Cured!
